WHO CAN FUNDRAISE?

Schools, teams or clubs. For a specific cause, project, single or reoccurring event.

FundUs reserve the right to accept or deny applications based on strict criteria, to ensure that funds raised go to legitimate and transparent causes where the funds raised are put to great use.

FundUs is all about creating a 'leg up' for those in the community needing help in reaching their fundraising goals. It's all about supporting those that local communities love to rally around - making fundraising simple and effective for everyone.

WHO ARE WE?

FundUs is the passion of Chemical Solutions' Managing Director Terry Morris, who has helped his family at sausage sizzles, car washes and galas over the years and thought... *'there has to be a better way!'*
